

■ Poly120W-140W

■ Product Information

Polycrystalline silicon solar module

- **Model:** GMS-P120(36) GMS-P125(36) GMS-P130(36)
 GMS-P135 (36) GMS-P140(36)
- **Features:**
 - 6 inches Polycrystalline silicon solar cells
 - Water resistant junction box IP65;
 - Lightweight anodized aluminum frame
 - High transmissivity low-iron tempered glass
 - Advanced EVA encapsulation system with multilayer back sheets
- **Primary Competitive Advantages:**
 - "Green" Product
 - Experienced Technical Staff
 - Guarantee/Warranty
 - International Approvals
 - Competitive Prices
- **Certificates:** TUV IEC61215 IEC61730 CE ISO9001 ISO14001
- **Specification**
