

■ Poly180W-210W

■ Product Information

Polycrystalline silicon solar module

- **Model:** GMS-P180 (54) GMS-P185 (54) GMS-P190 (54)
 GMS-P195 (54) GMS-P200 (54) GMS-P205 (54)
 GMS-P210 (54)
- **Features:**
 - o 6 inches Polycrystalline silicon solar cells
 - o Water resistant junction box IP65;
 - o Lightweight anodized aluminum frame
 - o High transmissivity low-iron tempered glass
 - o Advanced EVA encapsulation system with multilayer back sheets
- **Primary Competitive Advantages:**
 - o "Green" Product
 - o Experienced Technical Staff
 - o Guarantee/Warranty
 - o International Approvals
 - o Competitive Prices
- **Certificates:** TUV IEC61215 IEC61730 CE ISO9001 ISO14001
- **Specification**

Model	Pm (W)	Dimension	IMP(A)	VMP(V)	ISC(A)	VOC(V)
GMS-P180 (54)	180W	1480×992×50	6.98A	25.80V	7.65A	32.70V
GMS-P190 (54)	190W	1480×992×50	7.31A	26.00V	7.89A	33.00V
GMS-P200 (54)	200W	1480×992×50	7.63A	26.20V	8.12A	33.40V
GMS-P210 (54)	210W	1480×992×50	7.90A	26.60V	8.35A	33.80V
